To our valued customers,

Due to increased worldwide environmental concerns, Maruwa remains committed to continually reducing its impact on the world's natural environment and works closely with our customers and suppliers to identify and rapidly eliminate hazardous substances from its products.

Maruwa's lead-free products are fully RoHs (Restrictions on the use of Hazardous Substances) compliant with some exception of products produced to meet military specifications.

If you have any questions about our products, please contact us at any time.

Thank you for your business and continuous support.

Sincerely,
